

What is the Oblong Children's Christian Home Golf Marathon?

It is an incredibly fun event, which will raise some serious bucks for Oblong Children's Christian Home. It is a way for golfers, both duffer and low handicapper alike, to rally their support while doing something they really enjoy – playing golf. When compared to a traditional golf tournament, golf marathons are more fun and a whole lot more profitable.

Here's the Fun Part

Yes, you will play 100 holes. No, we're not kidding. One hundred holes is very doable. Many golfers in past marathons have been able to do more than 100 holes. In fact, the record for a golf marathon is an incredible 437 holes in one day! Several changes in the format of the game are made to speed up the play...

- Golfers hit multiple balls, and each ball counts as one hole played.
- We play "ready golf" with a maximum field of 40 golfers.
- No looking for lost balls, OB's etc., Just drop another ball and keep hitting.
- You can play any hole or series of holes in any order and as many times as you want.
- On the green, any putt inside the leather is a "gimme."
- Whenever your score on a hole reaches triple bogey, pick up, score the hole as completed, and move on to the next hole.

What's In It for Me?

Besides a lot of fun and the satisfaction of helping Oblong Children's Christian Home in a big way, you will receive....

- Continuous drinks and snacks
- Lunch
- The opportunities to earn some great prizes, depending on the amount of pledges you have raised.
- A tax write-off for any donated funds.
